9.Instructions of the District Collector during the Grievance Review meeting.

ORDER:

Sri K. Sree Akshay, belonging to the Scheduled Tribe (ST) category, is currently working as an Office Subordinate (Class IV) in the Office of the Divisional Cooperative Officer, Kavali. The individual has been continuously requesting promotion to the post of Junior Assistant under the "Appointment by Transfer" quota.

The individual directly approached the District Collector during the Grievance Day on 15.05.2026 with a petition. Pursuant to the instructions of the Collector & District Magistrate, Nellore issued during the Employee Grievance Day review, a thorough verification of records and rules has been conducted. The grievance petition filed by the employee is found to be completely misleading, factually incorrect, and hides key administrative facts. The employee has brought up an incorrect narrative of "social and caste discrimination" and made false claims regarding his test qualifications solely to bypass established service rules, avoid the ongoing departmental inquiry, and bring outside pressure on the office to get an out-of-turn promotion for which he is not eligible at present.

Office Position and Rule-Based Evaluation:-

The specific claims made by the petitioner are verified point-by-point against actual office positions and verifiable facts as detailed below:

- **Passing of Departmental Tests:** The individual claims that he has passed all necessary Departmental Tests and is fully eligible for immediate promotion under the AP Ministerial Service Rules. This claim is **completely false**. As per official records, there is no entry in his Service Register (SR) confirming that he has passed the departmental tests. Furthermore, the employee has failed to submit any passing certificates or proofs to the office, rendering it a completely unverified and false claim.
- **Roster Calculations:** The individual claims he was denied promotion due to "mistakes in roster calculations by the office". This is **incorrect**. The roster points were calculated exactly as per rules and were checked and approved by the District Collector. There are no mistakes, and the employee is simply junior in the current panel cycle. For the Panel Year 2025-26, seniority lists and promotion proposals from Class IV to Junior Assistant were prepared strictly as per Note 5 of Rule 3 of the A.P. Ministerial Service Rules, 1998. The District Collector, Nellore approved the promotion of Sri K. Kiran Kumar, Office Subordinate, against the available 6th vacancy, based on strict seniority and roster requirements. As the available roster vacancy was filled by the senior eligible candidate, the requests of Sri K. Sree Akshay and another employee (Sri T. Ravindra) could not be considered. Their cases will be examined against future vacancies as per the standard cycle and ratio rules.
- **Historical Management of Roster (2005):** The individual claims that in 2005, the office mismanaged the roster register and blocked promotions under a 10-point cycle, causing him loss. This is **baseless**. All promotions in the department have always been given as per government guidelines, and no roster cycle was blocked or mismanaged to cause harm to any employee.
- **Issuance of Charge Memo:** The individual claims that a Charge Memo was issued to him "without any reason" and as an act of harassment because he asked for a promotion. This is **false**. The Charge Memo was issued on 16.03.2026 under Rule 20 of the AP Civil Services (CC&A) Rules, 1991 due to documented administrative indiscipline, which includes bringing outside political pressure, disrupting office work, and targeting other employees on community grounds violating the standard office procedure.
- **Allegations of Social Discrimination:** The individual alleges "Social Discrimination" stating: *"Because I belong to the ST community, officers are intentionally troubling me and ignoring my request."* This is **malicious and wrong**. The office treats all employees equally, and reservation rules are strictly followed. In fact, the Charge Memo was issued to him precisely because he was found creating community-based differences and targeting fellow staff members. This allegation is a tactic made to avoid the ongoing disciplinary inquiry.

Status of Pending Departmental Disciplinary Proceedings:-

Due to continuous indiscipline, violation of Rule 24 of the AP Civil Services (Conduct) Rules 1964, and attempting to influence administrative work through outside channels, official proceedings were initiated against the employee:

- **Issuance of Charge Memo:** A formal Charge Memo under Rule 20 of the AP Civil Services (CC&A) Rules, 1991 was issued to him on 16.03.2026 for office misconduct, using external political pressure, and making baseless community-based complaints against fellow staff.
- **Appointment of Inquiry Officer:** The employee submitted an explanation on 30.03.2026, which was found completely unsatisfactory and lacking facts. Therefore, a regular Departmental Inquiry was ordered. Vide office orders dated 15.04.2026, Sri K. Venkateswarlu, Divisional Coop Officer, Nellore, was appointed as the Inquiry Officer to conduct the inquiry.
- **Bypassing Official Channels:** While this official inquiry is actively going on, the employee directly approached the District Collector during Grievance Day on 15.05.2026 with the same incorrect statements. Bypassing the immediate office during an active inquiry is a clear violation of employee conduct rules.

Based on the above facts, Sri K. Sree Akshay has no eligible claim for an immediate promotion. His petition dated 15.05.2026 contains incorrect statements regarding the passing of departmental tests, meant to bypass office procedure and make wrong allegations against the department to cover up his own administrative indiscipline.

The contents mentioned in the grievance petition dated 15.05.2026 are fallacious, lack of truth, and are devoid of merit.

Therefore, it is ordered that further action with regard to the grievance petition is hereby dropped. The claims made by the petitioner stand rejected as he is ineligible for promotion during the current panel cycle due to lack of vacancies, non-verification of departmental tests, and ongoing disciplinary proceedings.

These facts are intimated to the petitioner through this order in detail, as per the instructions of the Collector & District Magistrate, Nellore issued on 15.05.2026 special grievance day.
