

MEMORANDUM OF THE DIVISIONAL COOPERATIVE OFFICER, NELLORE

Rc. No. 369/2021/C;

Dated:22.04.2026

Sub: Cooperation Department – PACS in Nellore Division – Non-completion of End of Day (EOD) as on 31.03.2026 – Instructions issued – Regarding.

-ooOoo-

It has been observed that all Primary Agricultural Cooperative Credit Societies (PACS) in Nellore Division except Kalivelapalem PACS have not completed the End of Day (EOD) process as on 31.03.2026, which is a matter of serious concern. The EOD closing is a crucial financial control mechanism, ensuring accuracy and completeness of daily transactions, proper maintenance of accounts, transparency in financial reporting, readiness for audit and statutory compliance. Failure to complete EOD regularly may lead to discrepancies in accounts, audit objections, and administrative complications.

All Chief Executive Officers (CEOs) of PACS in Nellore Division are hereby directed to complete the pending EOD as on 31.03.2026 immediately without further delay. Ensure that EOD is closed on a daily basis and also maintain proper records and verify all transactions before closing EOD.

The Monitoring Officers concerned are instructed to personally contact the CEOs of PACS allotted to them and ensure completion of pending EOD work, closely monitor daily EOD compliance and report status to this office.

The auditors concerned, who have been appointed to conduct the final audit of PACS for the financial year 2025–26, are directed to verify the EOD closing entries and report any irregularities or lapses from an audit perspective before the closure of EOD, in order to avoid reopening of the day-end process, as the NLPSV system does not permit reopening of EOD...
